COMPANY OVERVIEW

# About RGC
# *Workforce Solutions*

A manpower consultancy focused on helping organizations connect with suitable people and practical staffing support.

RGC Workforce Solutions is a manpower consultancy based in Madurai, Tamil Nadu, India, and a business vertical of Raty's Global Consortium Private Limited. We aim to support employers with recruitment and workforce services across a range of job categories and business environments.

Our approach is centered on understanding each client's requirements, identifying relevant candidates and coordinating recruitment or staffing support in line with agreed expectations.

We recognize that every organization has different workforce priorities. Some need dependable operational staff, while others require specialist technical talent, leadership candidates or flexible staffing support.

We respond with a clear process, open communication and a service approach tailored to the role, workplace and client brief.

DELIVERY SUPPORT

# We Manage People *For You*

Your Operations.

Our Workforce Coordination.

***Your Workforce. Our Responsibility.***

## 01 Workforce Sourcing

Identification and requirement-based shortlisting of candidates aligned with client expectations.

## 02 Staffing & Deployment

Coordination of workforce deployment for agreed roles, locations and operational schedules.

## 03 Outsourcing Support

Structured manpower and workforce coordination services aligned with mutually defined scopes of work.

## 04 Attendance & Reporting

Process-oriented attendance coordination, workforce updates and reporting procedures as agreed with clients.

## 05 Client Communication

A clear coordination channel for workforce-related discussions, operational reviews and issue escalation.

WHERE WE CAN SUPPORT

# Industries *We Serve*

Workforce needs vary by sector. We aim to understand the working environment, role requirements and expected skills before sourcing candidates.

## Manufacturing & Production

Production operators, technicians, quality support, maintenance and plant support roles.

## Logistics & Warehousing

Warehouse associates, inventory support, dispatch, packing and logistics coordination roles.

## Construction & Infrastructure

Project workforce and trade-related roles, subject to site requirements and relevant qualifications.

## Healthcare & Hospitals

Administrative, facility and eligible support roles; clinical roles require the relevant qualifications and registrations.

## Hotels & Hospitality

Housekeeping, food service, front-office and hospitality support roles.

## Retail & Commercial

Store operations, sales support, customer service and back-office roles.

## IT & Corporate Offices

IT, technical, administrative, customer support and corporate functions.

## Oil, Gas & Engineering

Engineering, technical and project-support roles aligned with required skills and safety standards.

## Multi-sector Requirements

Customized sourcing and staffing support for organizations with requirements across more than one industry.

### *Roles and requirements are confirmed case by case*

Job descriptions, minimum qualifications, experience, shift patterns, location, compensation range and any mandatory licenses or certifications are reviewed with the client. This helps align candidate sourcing with the actual workplace and role expectations.

HOW WE WORK

# Our Recruitment & *Staffing Process*

A clear, collaborative process designed to keep requirements, candidate suitability and next steps aligned.

1

## Understand the requirement

Discuss headcount, job descriptions, skills, experience, location, shift pattern, joining timeline and commercial terms.

2

## Plan the sourcing approach

Agree the candidate profile, sourcing channels, screening criteria and communication points.

3

## Source and screen candidates

Identify potential candidates and conduct preliminary checks against the agreed role criteria.

4

## Coordinate interviews

Share relevant profiles and coordinate interviews, assessments and feedback between client and candidate.

5

## Selection and offer support

Support selection communication and documentation coordination as agreed with the client.

6

## Joining and deployment coordination

Coordinate joining formalities or staffing deployment in line with agreed requirements and applicable rules.

7

## Follow-up and feedback

Maintain communication on progress, gather feedback and address issues through the agreed service process.

CLIENT PARTNERSHIP

Successful staffing depends on timely feedback and shared expectations. We encourage clients to nominate a point of contact, provide accurate role information and communicate selection decisions promptly. Service timelines and deliverables are finalized before an assignment starts.

WHY RGC

# A Practical, *Client-Focused Partner*

We aim to make workforce coordination straightforward, transparent and responsive to each client's needs.

## 01 Requirement-led sourcing

Candidate profiles are aligned to the role criteria and workplace needs provided by the client.

## 02 Flexible service options

Support may be structured around permanent hiring, temporary staffing or other agreed workforce requirements.

## 03 Communication and coordination

Clear contact points and follow-up help clients and candidates understand next steps.

## 04 Attention to role suitability

Screening priorities can include relevant experience, qualifications, availability and role-specific requirements.

## 05 Industry-aware approach

Sourcing considerations are adapted to the nature of the role, worksite and sector.

## 06 Professional engagement

Respectful communication and responsible handling of recruitment information are central to the intended service approach.

COMPLIANCE AND RESPONSIBLE RECRUITMENT

RGC Workforce Solutions recognizes the importance of applicable employment, wage, social security, workplace safety, privacy and recruitment requirements. Responsibilities depend on the service model and contractual arrangement. The parties should confirm applicable registrations, licenses, statutory obligations and documentation before commencement. No claim of certification, licensing or statutory approval is made in this profile.

OUR PARTNERSHIP OBJECTIVE

***To develop long-term client relationships through consistent communication, role-focused recruitment support and a practical understanding of workforce requirements.***
